- Nirmal
- Mohiddin
- Meghana
- Vaishnavi Jagdale

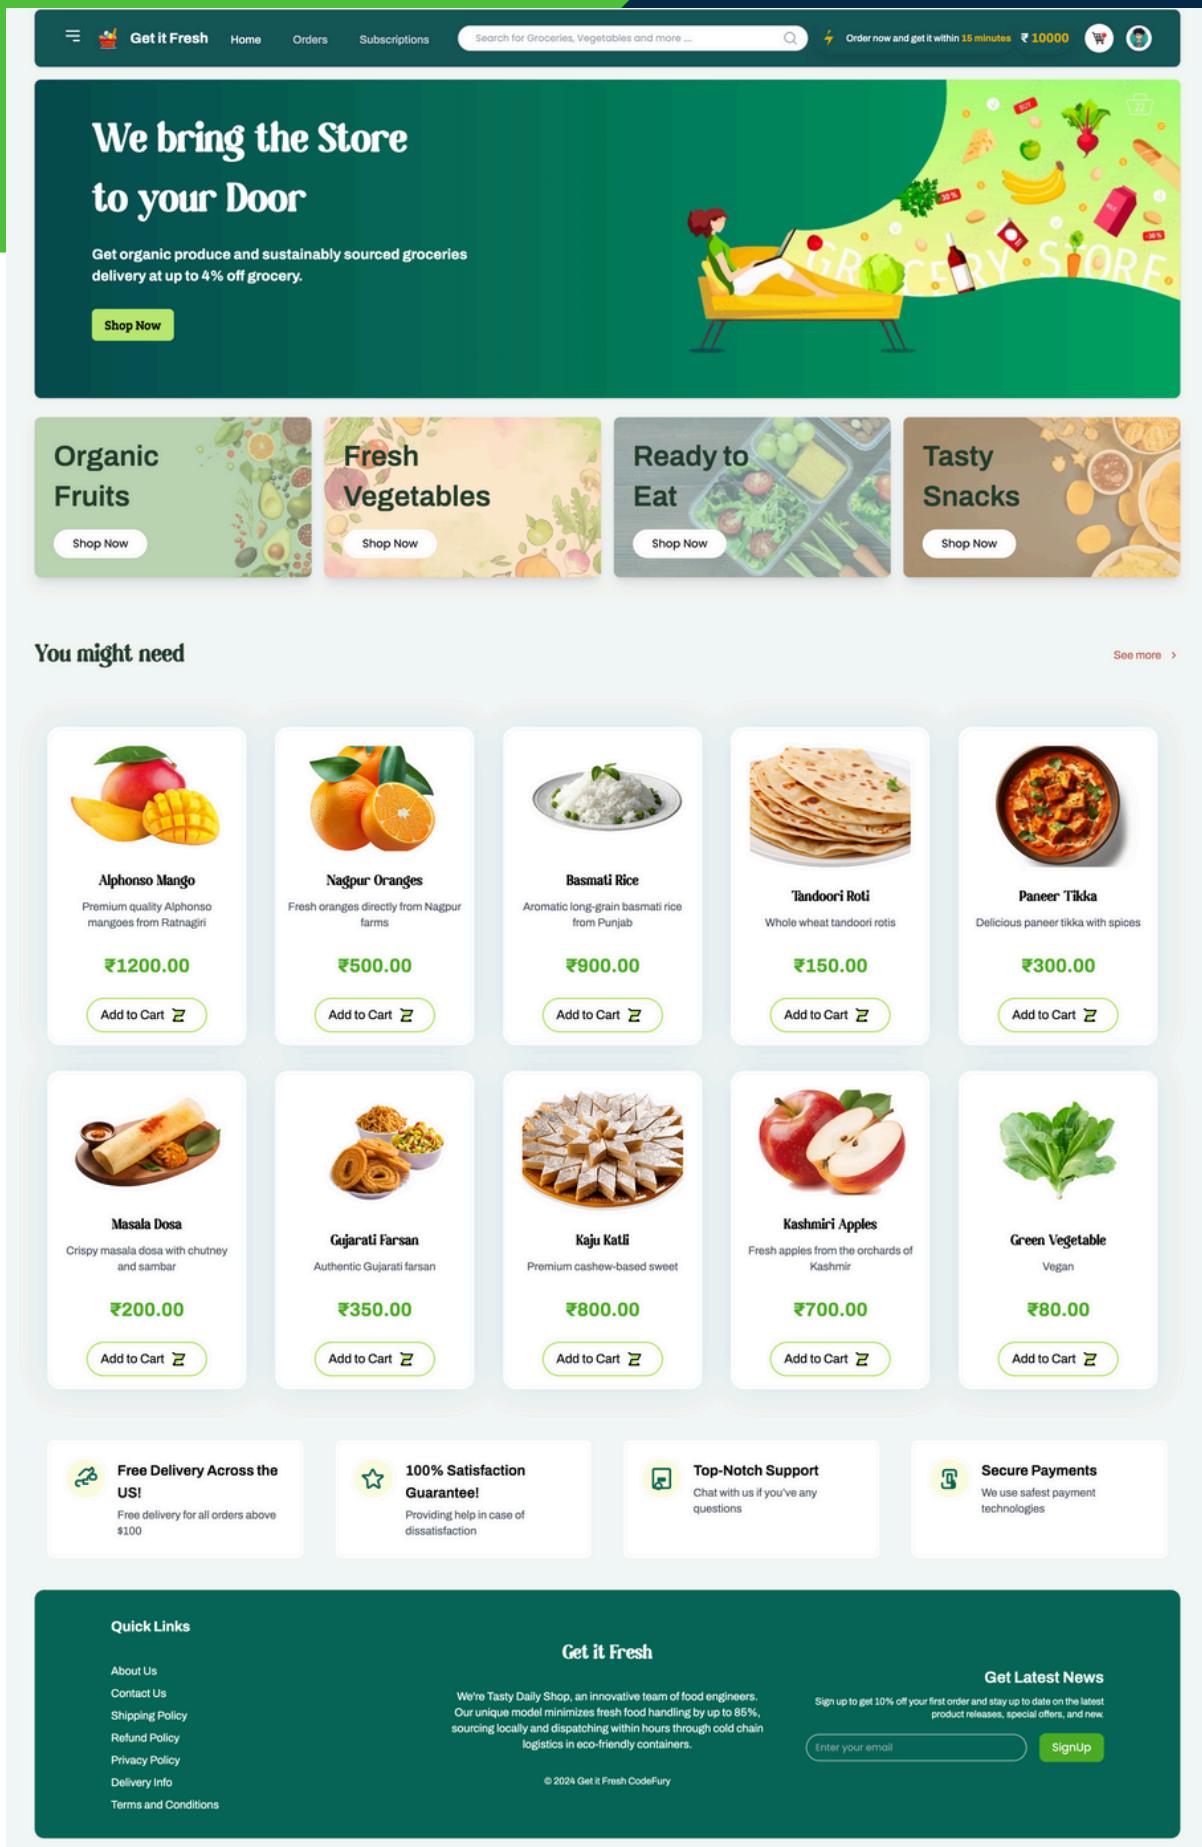

Application Features

- **Subscription Plans**: Users can choose from various subscription plans tailored to different products and needs. Each plan specifies the product, delivery frequency, and pricing, allowing customers to subscribe and receive products on a regular basis.
- **User Authentication** : Secure login and registration system that authenticates users through credentials like email and password. It ensures only authorized users can access their accounts, manage their profiles, and make purchases.
- **Product Management**: Admins can add, update, or remove products from the platform. Each product includes details such as name, description, price, and available quantities, enabling effective inventory management.

Application Features

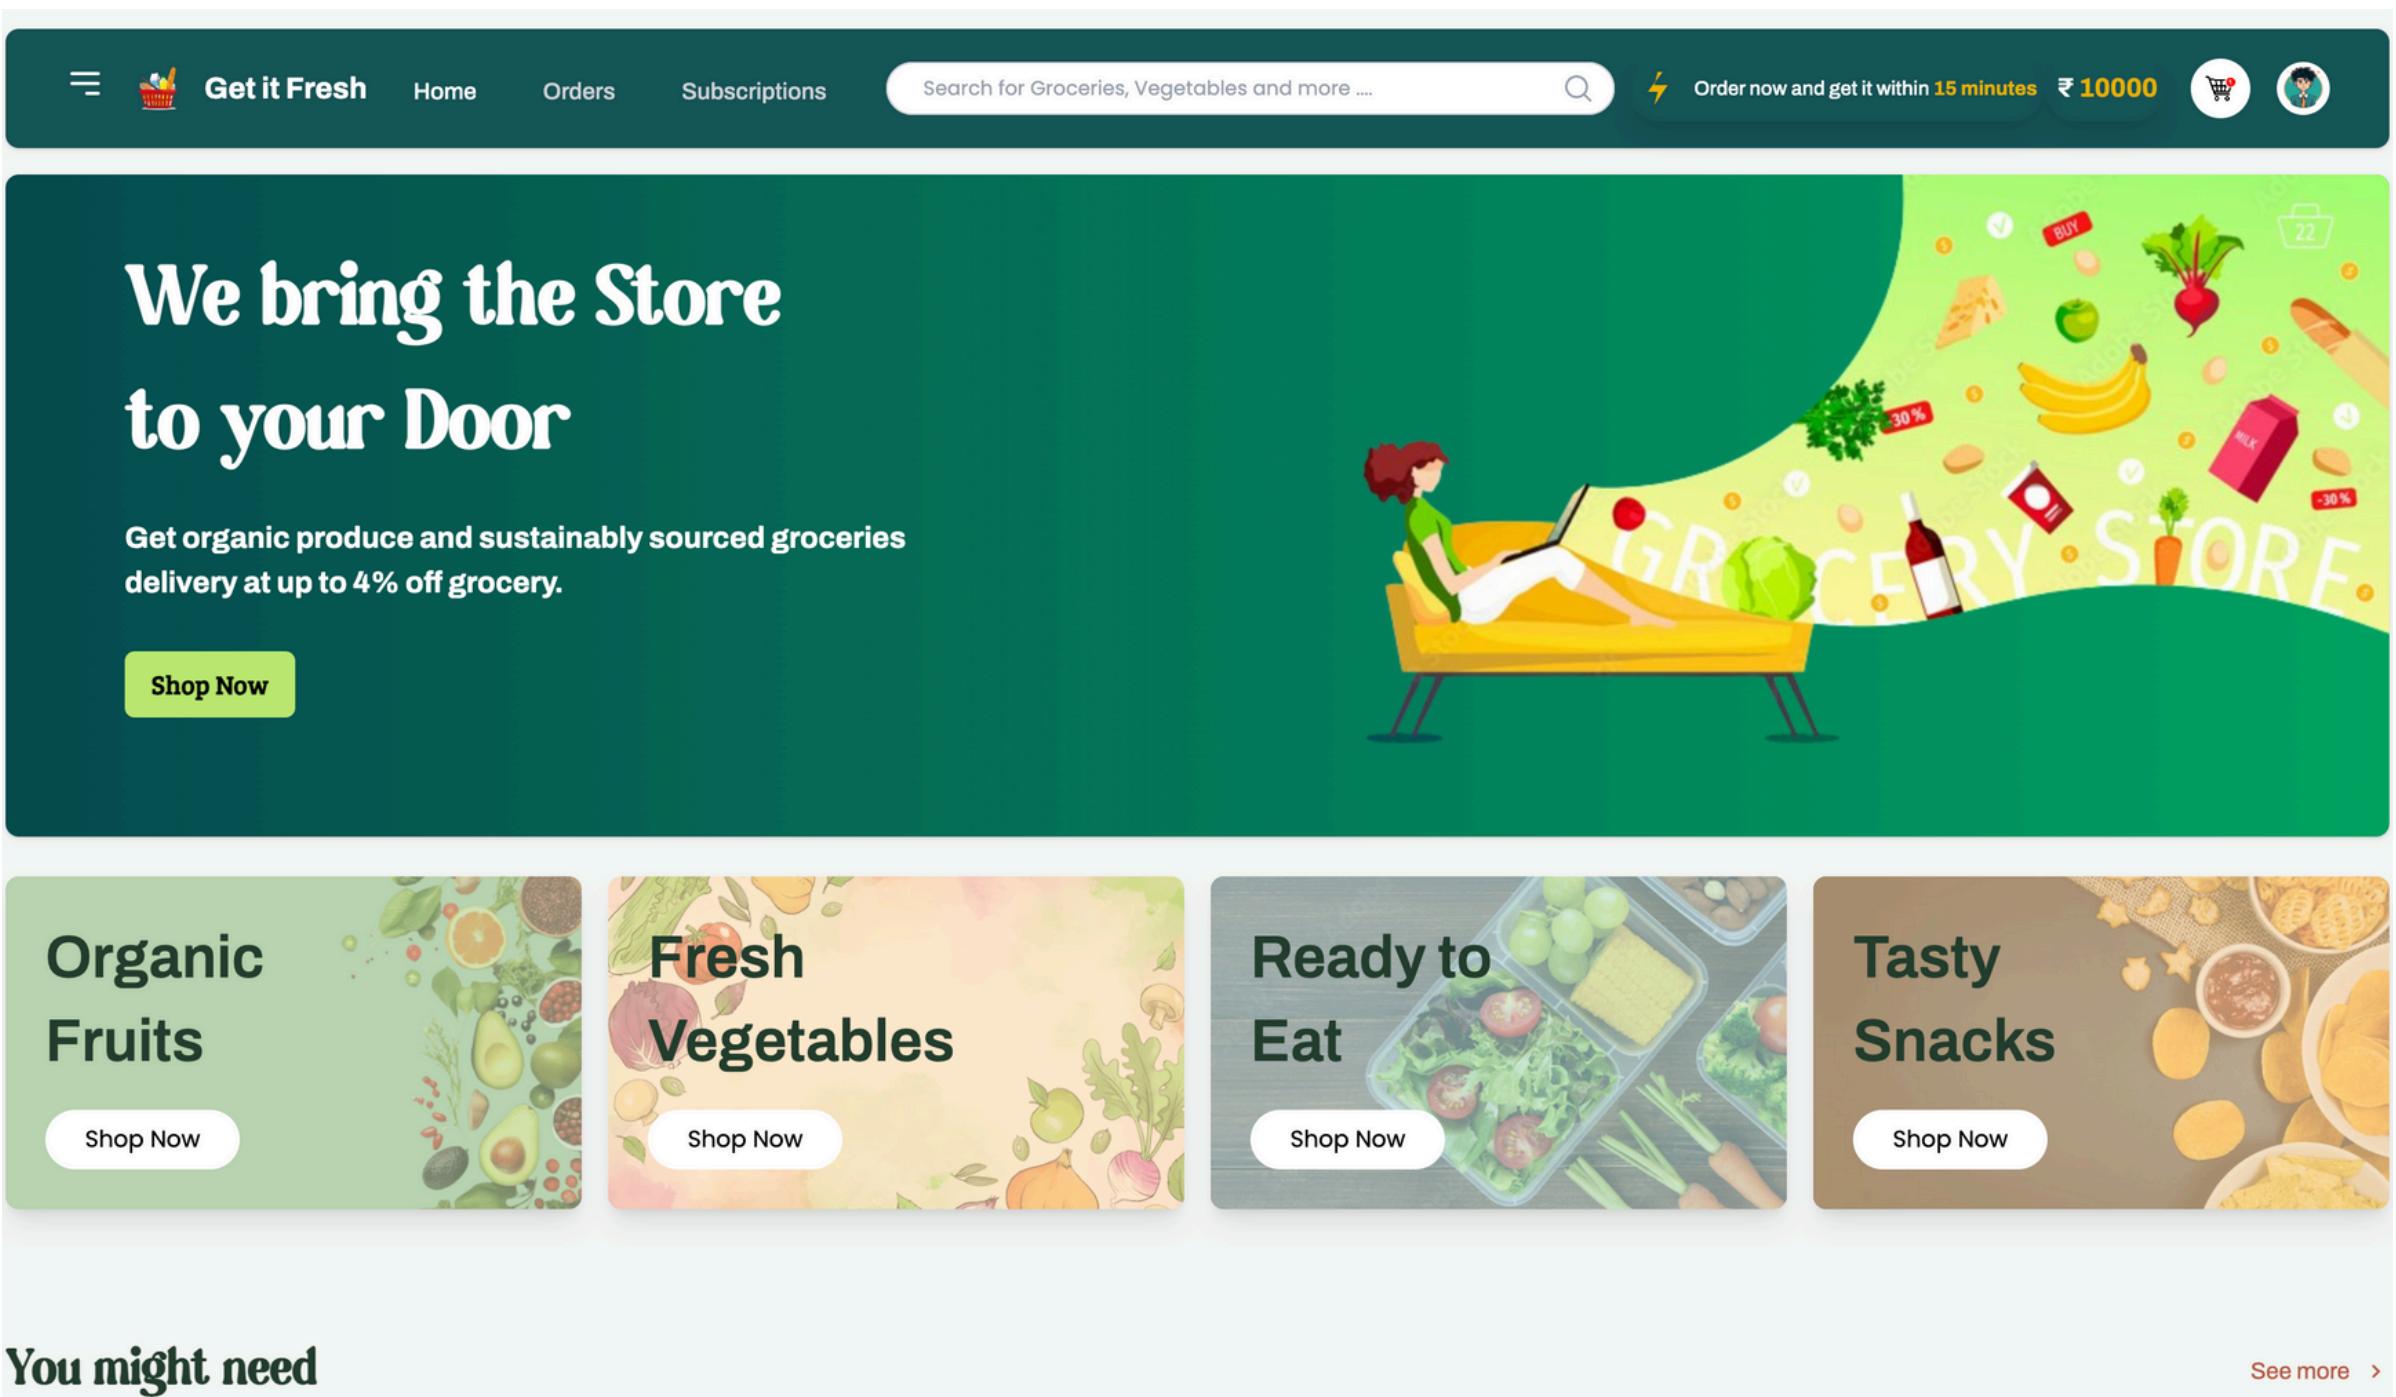

- **Order Management**: Admin can manage the orders
- **Payment Wallet** : User can add money in the wallet . Money will be automatically deducted from wallet based on subscription.
- **Admin Dashboard** : A centralized dashboard for administrators to monitor platform activity, manage products, view customer information, track orders, and generate sales and performance reports.
- **Customer Profile Management** : Users can view and update their personal information, including name, email, delivery address and profile picture.

UI Snapshots

The Home Page features a top banner with the slogan "We bring the Store to your Door" and a search bar. Below are sections for Organic Fruits, Fresh Vegetables, Ready to Eat, and Tasty Snacks. A "You might need" section displays various food items like Alphonso Mango, Nagpur Oranges, Basmati Rice, Tandoori Roti, and Paneer Tikka. The bottom includes a "Quick Links" sidebar with links to About Us, Contact Us, Shipping Policy, Refund Policy, Privacy Policy, Delivery Info, and Terms and Conditions.

Home Page

The Landing Page has a similar layout but with a larger "We bring the Store to your Door" banner. It also features sections for Organic Fruits, Fresh Vegetables, Ready to Eat, and Tasty Snacks. A "You might need" section follows, and the bottom includes a "Quick Links" sidebar with links to Get it Fresh, Get Latest News, and a newsletter sign-up form.

UI Snapshots

The image displays three screenshots of the Get it Fresh user interface, illustrating the wallet topup process.

Wallet Topup Page: This screenshot shows the payment form for topup. It includes fields for Apple Pay (disabled), email address, name on card, card number, expiration date, CVC, address, city, state/province, and postal code. A checkbox for "Billing address is the same as shipping address" is checked. A large blue button at the bottom right says "Pay \$341.68".

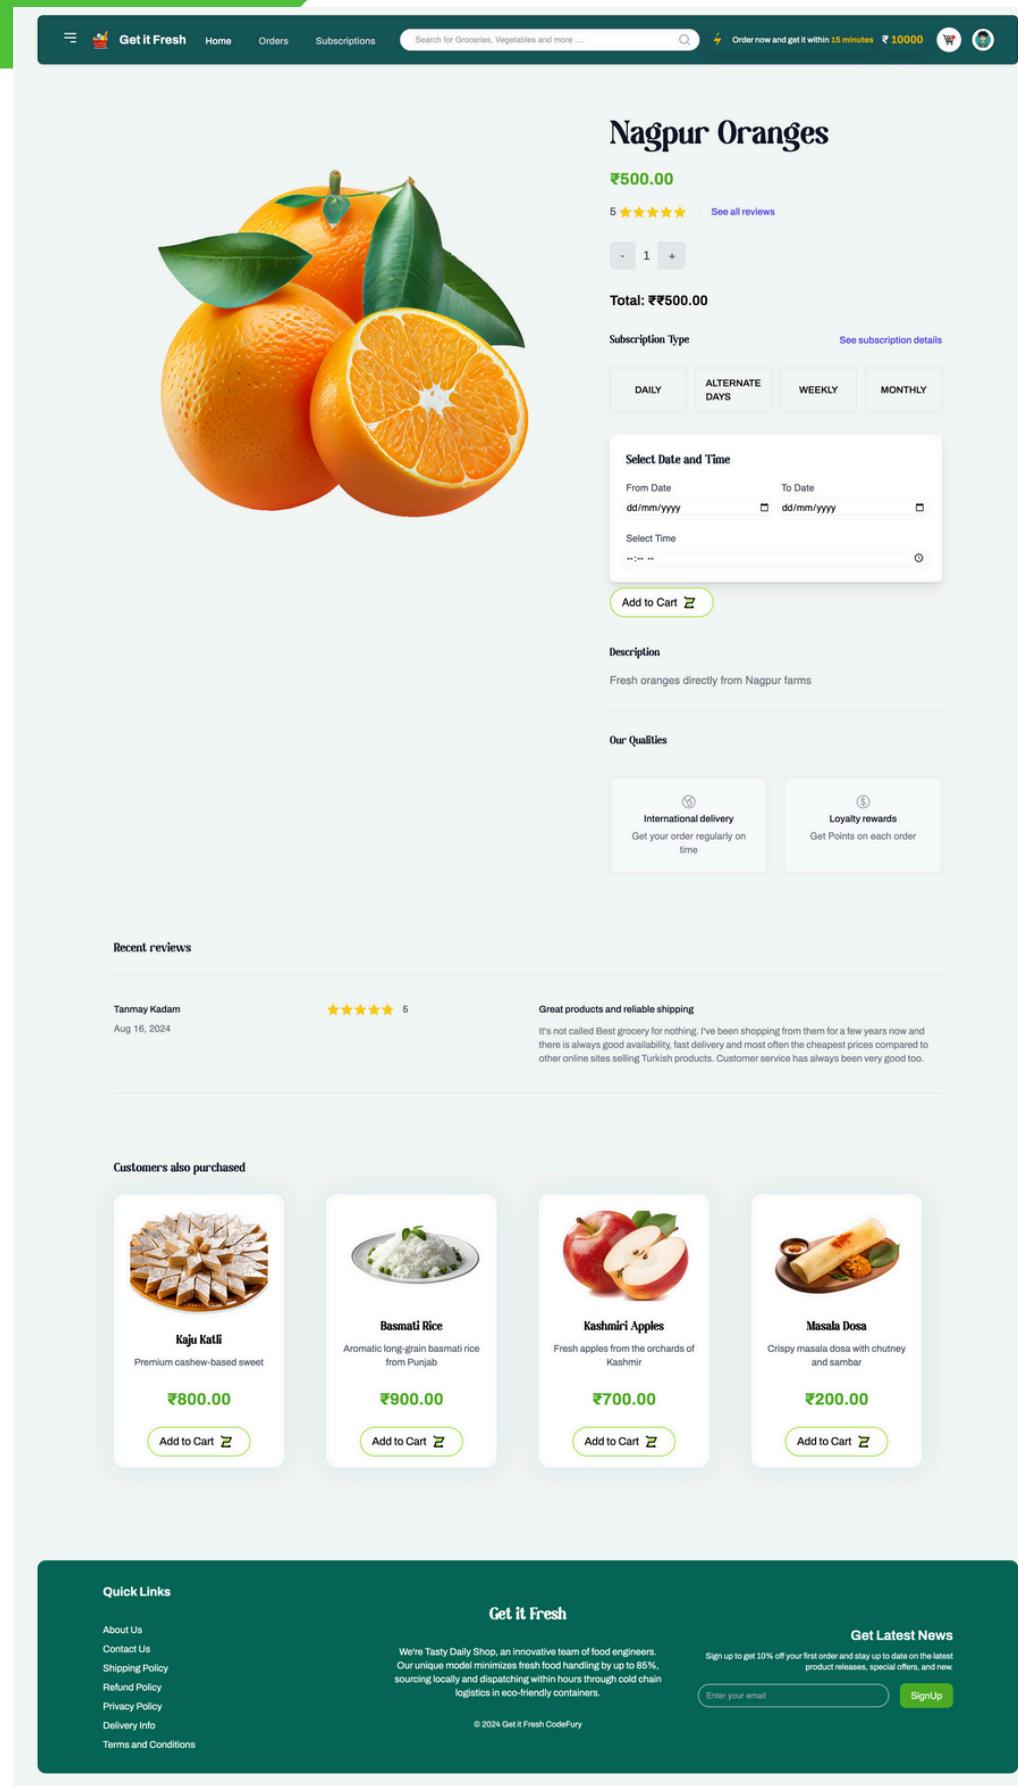

Wallet Full Page: This screenshot shows the full wallet page. It features a large image of a dark-themed "Get It Fresh Wallet" card with a balance of 1000 and the name Ashutosh Mishra. Below the card, there's a "Quick Links" sidebar with links to About Us, Contact Us, Shipping Policy, Refund Policy, Privacy Policy, Delivery Info, and Terms and Conditions. The main content area contains the "Get it Fresh" logo, a brief description of the company, and a "Get Latest News" section with a newsletter sign-up form.

Payment Confirmation Page: This screenshot shows the payment confirmation screen. It displays the payment method (Apple Pay), payment details (Email address, Name on card, Card number, Expiration date, CVC, Address, City, State / Province, Postal code), and a checked checkbox for "Billing address is the same as shipping address". A blue button at the bottom right says "Pay \$341.68". A note below the payment details states "Payment details stored in plain text".

UI Snapshots

This screenshot shows the product details page for 'Nagpur Oranges'. At the top, there's a navigation bar with 'Get it Fresh' logo, 'Home', 'Orders', 'Subscriptions', a search bar, and a delivery guarantee banner. Below the header, the product title 'Nagpur Oranges' is displayed with a price of ₹500.00. It includes a 5-star rating and a 'See all reviews' link. A large image of oranges is shown, along with a 'Subscription Type' section featuring 'DAILY', 'ALTERNATE DAYS', 'WEEKLY', and 'MONTHLY' options. A 'Select Date and Time' input field is present. The main description states 'Fresh oranges directly from Nagpur farms'. Below this, there are sections for 'Our Qualities' (International delivery and Loyalty rewards), 'Recent reviews' (one review by Tanmay Kadam), and 'Customers also purchased' (products like Kaju Katli, Basmati Rice, Kashmiri Apples, and Masala Dosa). The footer contains a 'Quick Links' sidebar with links to About Us, Contact Us, Shipping Policy, Refund Policy, Privacy Policy, Delivery Info, and Terms and Conditions.

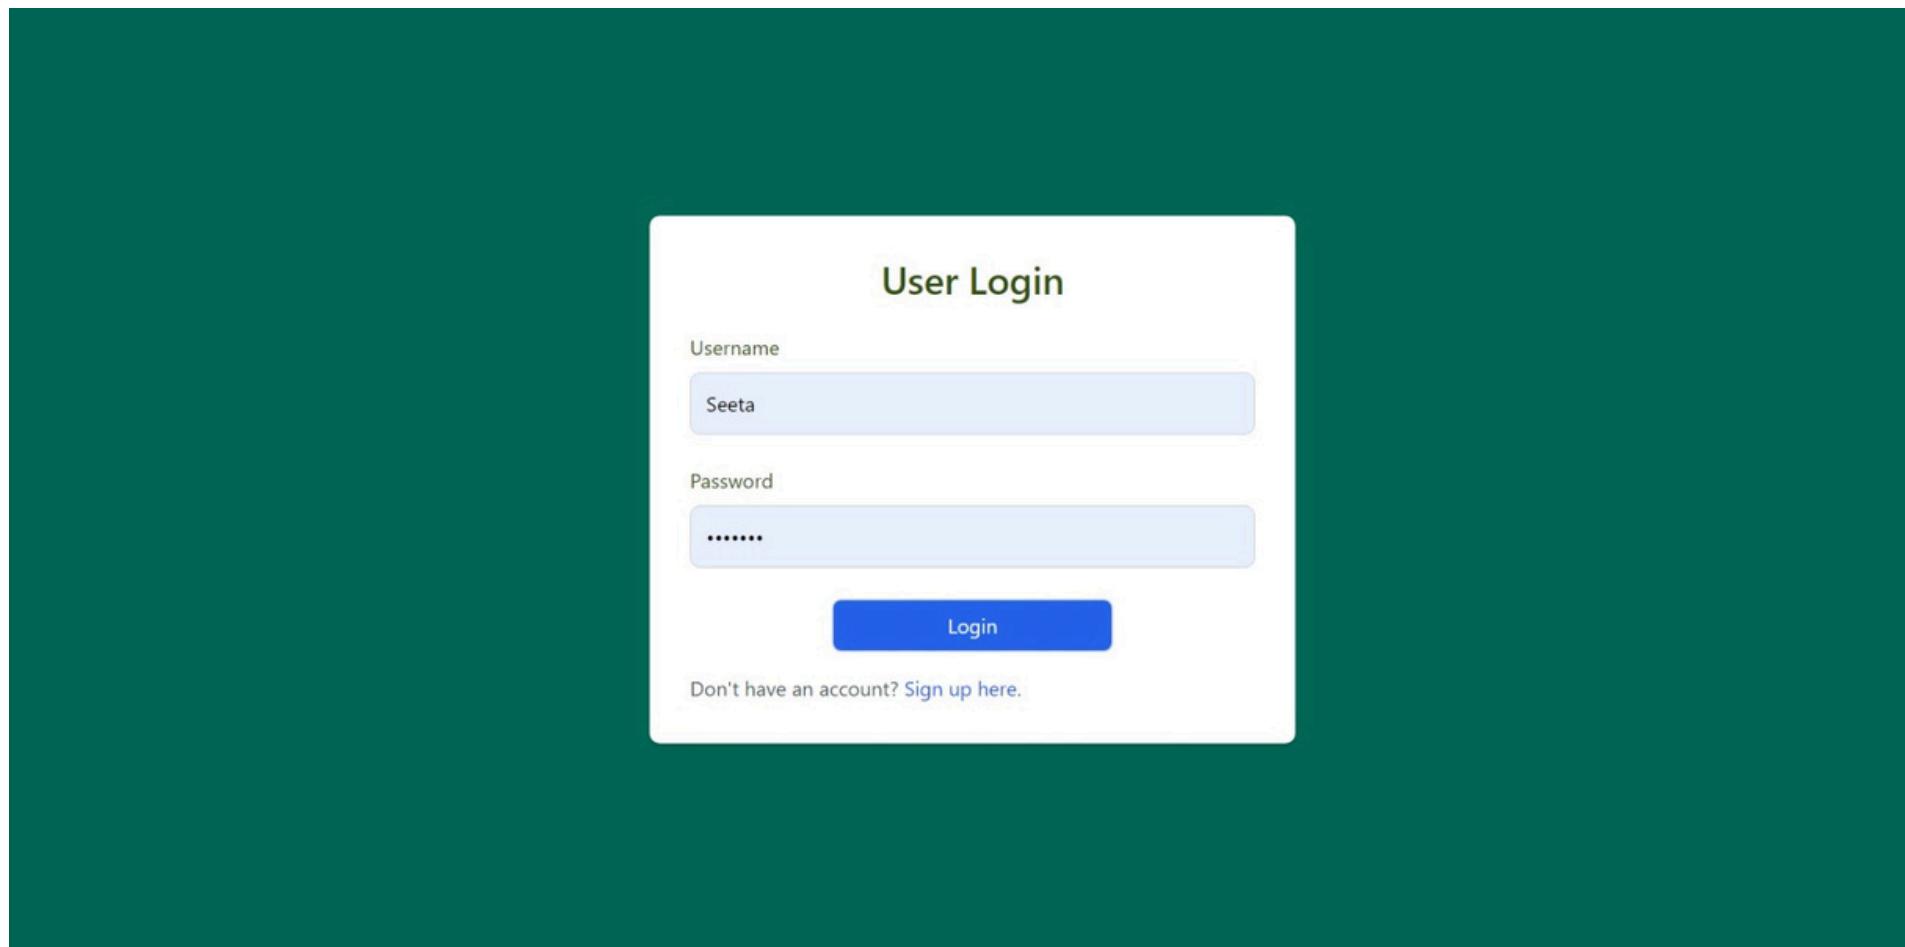

This screenshot shows the footer page of the website. It features a dark green header with the 'Get it Fresh' logo. Below the header, there are four service highlights: 'Free Delivery Across the US!', '100% Satisfaction Guarantee!', 'Top-Notch Support', and 'Secure Payments'. The 'Free Delivery Across the US!' section includes a note about free delivery for orders above \$100. The '100% Satisfaction Guarantee!' section notes help provided for dissatisfaction. The 'Top-Notch Support' section encourages users to chat for questions. The 'Secure Payments' section mentions safe payment technologies. The main content area has a dark green background with white text. It includes a 'Quick Links' sidebar with links to About Us, Contact Us, Shipping Policy, Refund Policy, Privacy Policy, Delivery Info, and Terms and Conditions. The central content area features the 'Get it Fresh' logo, a brief description of the company's mission (minimizing fresh food handling by up to 85%), and a copyright notice. On the right, there's a 'Get Latest News' section with an email sign-up form.

UI Snapshots

A screenshot of a User Login interface. It features a white card with a dark green header containing the title "User Login". Below the title are two input fields: "Username" with the value "Seeta" and "Password" with masked input. A blue "Login" button is positioned below the password field. At the bottom of the card, there is a link "Don't have an account? Sign up here."

Login Page

A screenshot of a Create an Account interface. The page has a dark green header with the title "Create an Account". Below the title are six input fields: "Username", "Email", "Password", "Address", "Phone Number", and "OTP". The "OTP" field contains placeholder text "Enter OTP sent to your email". At the bottom left is a "Send OTP" button, and at the bottom right is a "Register" button.
